

Japanese Anemone

Anemone hupehensis
Ranunculaceae

Joy and Optimism

Indication:

Japanese Anemone Flower Essence offers an experience of joy and lightheartedness. This essence provides encouragement to find a more positive approach to the thought process, and to develop a more optimistic mindset, even if outside circumstances seem gloomy.

Keywords:

Encouragement, Heart, Joy, Optimism, Positive Thinking

Message from Japanese Anemone Flower Essence:

Offers a connection to joyful embodiment. Lifts the mood and helps you work and play with a child-like sense of adventure and fun.

Helps you choose thoughts that make you feel better.
